

In response to expanding LPFM, I would like to express that I do not support any expansion of this standard that would have a negative impact on my ability to receive radio broadcasts from KLOVE.

K-LOVE radio provides positive and encouraging Christian entertainment to my family and my community. It is one of the few stations that I can enjoy without having to worry about negative influences on my children. If this media outlet was replaced by a LPFM broadcaster, my area would be without a Christian radio influence.

Thank you very much for the opportunity to influence the decisions made in our democratic process.
